FCCLA Veterans Dinner
By Callie Robinson

On November 7th, 2017, Zalma school's FCCLA hosted a dinner for all the local veterans and their families in their gym. This is the 27th year that FCCLA has hosted a Veteran's Dinner and it is always held on the Tuesday of election day. Abbi Spain, the Chapter president and Region 6 secretary, said, "The Veteran's Dinner is important because the veterans in the community may not get the recognition any other time. We want them to know we respect them and thank them."

Thank You!

ZALMA HIDDEN TALENT ABBI SPAIN

By: Brett Hovis

Abbi Spain is a 2018 senior at Zalma R-5 high school. Abbi has a hidden talent of dancing. She can do many types of dances such as ballet, tap, jazz, and lyrical, although of these four her favorite is lyrical.

Abbi started at the age of five in 2005 at the Fredericktown Dance Academy. Abbi said that she started dancing because she tried sports and did not like them, so instead focused on dancing. When I asked Abbi what her favorite thing about dancing was she replied, "I just love it; it's calming. It just makes me feel happy." However she said that her least favorite thing about dancing is the distance she has to drive for lessons. Since 2009 Abbi has been going to the Farmington School of Dance. Abbi has a niece, Millie Connor, that sometimes dances with her. However, Abbi does not have any other family members that dances. Abbi plans to keep her dancing off of her career options, but definitely wants to keep dancing as a fun hobby.
